VREDESTEIN CLASSIC TYRES

Vredestein classic tyres have been at the forefront of tyre innovation since 1909, using European roads as our proving ground. Our classic range seamlessly blends timeless design with modern performance, enhancing the aesthetic of both classic and modern-classic vehicles.

United by a rich heritage and a profound love for scenic routes, Vredestein is honoured to have collaborated with Mille Miglia for nearly a decade.

Join us on a ride where heritage meets innovation, and each bend in the road is enhanced by unparalleled attributes of Vredestein classic tyres.
